ABOUT US

20+
YEARS OF
EXCELLENCE

Civil Engineering Expertise You Can Build On.

Founded and led by a qualified **BE Civil Engineer** with over two decades of hands-on experience, **SB Construction** has earned its reputation across **Pune** and **Pimpri Chinchwad** as a contractor that delivers structural integrity and fine finishing in equal measure.

From **RCC** framed structures to detailed **brickwork** and **premium tile installations**, every project is supervised personally — ensuring the right materials, the right methods, and the right outcome.

- ✓ **BE Civil Engineer** led
- ✓ Engineered **RCC** structures with full quality control
- ✓ End-to-end civil work — **RCC, brickwork & tiles**
- ✓ Transparent pricing and **on-time handover**

OUR DIRECTION

Vision & Mission

The principles that guide how we build, and why we build the way we do.

Our Vision

To become Pune & PCMC's most trusted name in civil construction — known for engineering integrity, ethical practice and a finishing standard that turns ordinary buildings into lasting homes and workplaces.

Our Mission

To deliver every RCC, brickwork and tiling project with structural soundness, transparent pricing and on-time handover. We commit to qualified engineering supervision, quality materials and skilled craftsmanship on every site — giving every client peace of mind from foundation to finish.

Our Core Services

Comprehensive civil construction services delivered with engineering rigor and craftsman-level finishing.

01 RCC Construction

Reinforced cement concrete structures — footings, columns, beams, slabs and framed buildings — engineered for durability and code compliance.

WHAT WE DO

Our Core Services

Comprehensive civil construction services delivered with engineering rigor and craftsman-level finishing.

04 — PLASTER & FINISHING

Smooth, Crack-Resistant Plaster

Good plaster is the canvas for every paint job and tile line. We control mix, thickness and curing to deliver smooth, plumb walls ready for premium finishes.

- Internal & external sand-faced plaster
- Neeru finish, POP punning & gypsum plaster
- Waterproof external coats
- Wall putty & primer-ready surface preparation

05 — RENOVATION & REPAIRS

Renovation, Repairs & Additions

From a single bathroom rework to an additional floor over an existing structure — we plan, design and execute renovation work with respect for the existing building.

- Additional floor / vertical extension
- Kitchen & bathroom renovation
- Structural repairs & column jacketing
- Waterproofing for terraces & wet areas

06 — TURNKEY CIVIL

End-to-End Civil Execution

If you want a single accountable partner from drawing to handover — we coordinate every civil trade and tradesperson, manage materials and run the site under qualified engineering supervision.

- Drawing review & bill of quantities
- Material procurement at trade rates
- Day-to-day site supervision & safety
- Weekly progress & transparent billing
- Snag-list closure & clean handover

Thank You!
